Convention News

DEBBIE & DOLORES FELLEENZ SAY
"MEET ME IN ST. LOUIS"

The fifth annual convention of the A D C A will be held September 20, 21, and 22, 1985. It will take place at Noah's Ark Motor Inn and Restaurant, St. Charles, Missouri.

St. Charles is located about 25 miles (30 minutes) from St. Louis. There are lots of things to do and see in the St. Louis area so, if possible, plan on staying longer. The weather in September is usually warm (70's) but unpredictable.

The registration fee for the weekend is \$45/single or \$75/couple. This includes two dinners, two cocktail parties and a table in the display room.

Room rates at the Motor Inn will be \$38/single or double occupancy. A registration form is enclosed. Please indicate the nights you will be staying and reservations will be made for you.

The house tour will cost \$5.00/person, in order to pay for the bus rental. Please indicate if you plan to attend this event so we will know what size bus to reserve. Payment will be collected on the day of the tour.

Father Pepper of Waverly, Iowa will again be present for our invocation.

REGISTRATION DEADLINE IS AUGUST 1ST 1985

1985 CONVENTION DISPLAY COMPETITION

CLASS I	METALLIC	Any metal knob or knobs, brass or iron, cast or wrought, plain or fancy	RED TAG
CLASS II	NON-METALLIC	Any material other than metal. Glass, wood, plastic, ceramic.	YELLOW TAG
CLASS III	BEST OF SHOW	Any and all displays eligible	BLUE TAG

Displays are limited in size to fit on the table-top furnished for each member (approximately 30" x 72"). Number of knobs not important, can be one or 100.

If escutcheon plates are used in combination with knobs, they must be matched sets.

All class I and II displays will include only the tagged items. Each member may bring as many entries as desired in either or both categories.

Class I displays can be all brass, all iron, or can be a combination of both.

Class II displays can be all glass, all ceramic, or can be a mixture of various non-metallic materials.

Class III displays will include the entire display of the member.

A numbered tag of appropriate color will be furnished for each display.

Voting will be done by tag color, number, and name of member. Ballots will be distributed at the convention.

Ballots will be counted prior to the public open house, and award plaques will be presented to the winning displays.

Traders and items for sale will not be included in the displays, but should be arranged attractively and marked as such.

Vince Noe
