Welcome to the  
Seventeenth Annual  
Convention of the  
***Antique Doorknob  
Collectors of  
America.***

With this Souvenir Program booklet for 1997, we are bringing back something that has not been a feature since the very early conventions. We would like to make this a regular item at all future conventions.

We ask you to patronize the advertisers ... we feel, that for their interest and support in our organization, they deserve our patronage.

After the close of this event we hope that you will take the opportunity to tell a Board member what you liked or would change regarding these few days. We can only improve with your constructive comments.

A lot of effort and planning has been invested in this event and we hope you will enjoy yourself these next few days. Keep this program and those that will follow in the coming years as mementos of the people you met and your fine experiences.

WIN APPLEGATE, President

**We Go To Six Issues**

In December we announced The Doorknob Collector would be changed from a quarterly to five issues annually. Our plan was to do this for a year and then evaluate the response, the availability of material and the time needed to put together an issue. The question was; is it possible to do six issues a year? The response has been gratifying and the material has come in better than expected. The time....well, what is

time when it is a labor of love. Thus the answer to our question is that we feel it is possible to do six issues a year and we are going to try to do it. The contributions of Maude Eastwood, Len Blumin and all our members has helped make our decision. **THE DOORKNOB COLLECTOR** is now bi-monthly. We hope you will continue to support your publication now that it will come to you six times a year.

**A double high-five from a fellow  
collector who appreciates the  
difficulties entailed and could  
never have done it herself--
