Index to Designs.

Special Designs are shown on pages 2 to 164 of this catalogue; they are arranged alphabetically according to the terminal letters which indicate the design so that any design desired may be readily found. As a further guide we give below a list of all our designs, classified in the different schools of architecture to which they belong, and on the two following pages we have grouped together illustrations showing each design.

CE—Clermont Design (Empire).

Cast Bronze and Brass.

Made in Cast Bronze and Cast Brass.

Furnished in both the Polished and Sand Finishes.

The Polished Finishes are made with the Center Panel sanded and the Raised or Ornamental Surfaces, Bushings, Cylinders, Turn Knobs and backs of Knobs polished or buffed.

R7D, R7N and R8P Finishes are made with all parts Sand Finished except the Raised or Ornamental Surfaces, which are polished or buffed.

Other Sand Finishes are made with all parts Sand Finished (no parts buffed).

See the front of this book for a complete list and full description of finishes.

All packed with Screws to match.
