Illustrations 1/2 actual size

THE Yale & Towne Manufacturing Company take pleasure in announcing that they have effected an agreement with Messrs. Bricard Frères, of Paris, covering the importation into the United States and Canada of this most justly celebrated hardware with the mark "ST."

The illustrations on this page show the careful interpretation given the periods. Beautiful models with the ornament deeply chiseled to bring out its full value in all periods may be secured through the exclusive agency of this Company, including genuine Fire Gilt.
