

**ANTIQUE DOORKNOB COLLECTORS OF AMERICA
CATALOG ORDER FORM**

Copies of the catalogs listed below are loose-leaf and unbound. Catalogs are not always reproduced actual size. Prices include shipping. Non-members add 15% to your total order. In order to preserve the catalog master copies, the club offers the opportunity to purchase copies three times a year (orders need to be received at least one month prior to shipping). Copies will be shipped on: - May 15 (orders need to be received by April 15) - Sept 15 (orders need to be received by Aug 15) - Jan 15 (orders need to be received by Dec 15)

There are three possible order categories, but each catalog may not be available in all three categories. The three categories are:

Complete catalog. In the case of a builders' hardware catalog, the book has been copied in its entirety. In the case of a general hardware catalog, only the builders' hardware section has been copied.

Selected Pages. Included are title page, index, finish or other general hardware information pages, pages showing doorknobs, escutcheons, flush pulls, store door locks, push plates, cremone bolts, some mortise locks with ornate face plates, and limited miscellaneous hardware items that are offered in the same designs as shown doorknobs and escutcheons. In some cases, a few padlocks and keys are included.

Knob Design pages. These pages pertain strictly to knobs and possibly some levers and escutcheons. Title and finish pages, if available, are included.

Note: bibliographical information is provided when known, i.e., place of publication, title (in italics), date of publication, pagination, page size (h x w), and binding description. Catalogs are not always reproduced actual size
